Book Description

A kind and well-loved woman was brutally and inexplicably murdered - the pregnant wife of a respected police inspector - and her death has left Scotland Yard shocked and searching for answers. Perhaps most horrifying of all, the trigger of the weapon that killed her was apparently pulled by a stranger...a twelve-year-old boy.

The anatomy of a murder, the story of a family in crisis, What Came Before He Shot Her is a powerful, emotional novel full of deep psychological insights, a novel that only the incomparable Elizabeth George could write.

"She succeeds brilliantly. What Came Before He Shot Her is a tour de force from a writer flexing her muscles as she's never done before."

----- Entertainment Weekly

"Best mystery of the year...Gripping and intense, this is modern crime writing at its finest."

----- Rocky Mountain News (Denver)
