著者:Song Wan

出版者:Chinese University Press

出版时间:2007-07-10

装帧:Hardcover

isbn:9789629963217

The book is the first of its type ever published in the English language, which provides comprehensive review of the history of cardiothoracic surgery in China and highlights the remarkable surgical heritage that the younger generation of Chinese surgeons is proud of.

A unique feature of this volume is that many contributors are renowned expert and surgical leader in the field of cardiothoracic surgery, both nationally and internationally.
