Photographs, illustrations, maps, charts, and texts are celebrating the arrival of a larger size and beautiful colors to the fourth edition of "World Civilizations: Sources, Images, and Interpretations". This collection of primary, secondary, and visual sources for

world history survey courses offers a broad introduction to the materials historians use and the interpretations historians make. This text also provides introductions, commentaries, guides, and questions, making it a truly valuable source for world history courses. The selections and accompanying notes, drawn from a vast spectrum of approaches, provide insight into how historians work and place the material in a context that furthers readers' understanding.
