Book Description

A Modern-day heroine steps into a complex and dangerous mystery and pulls back the curtain on the greatest story never told, the life of Jesus as written by Mary Magdalene

Two thousand year ago, Mary Magdalene hid a set of scrolls in the rocky wilds of the French Pyrenees, a gospel that contained her own version of the events and characters of the New Testament. Protected by supernatural forces, these sacred scrolls could be uncovered only by a special seeker, one who fulfills the ancient prophecy of l'attendue - The Expected One.

When journalist Maureen Pascal begins the research for a new book, she has no idea that she is stepping into an ancient mystery so secret, so revolutionary that thousands of people have killed and died for it. She becomes deeply immersed in the mystical cultures of southwest France as the eerie prophecy of The Expected One casts a shadow over her life and work and a long-buried family secret comes to light.

Maureen's extraordinary journey takes her from the dusty streets of Jerusalem to the cathedrals of Paris...and ultimately to the scrolls themselves. She must unravel clues that link history's great artistic masters, including Sandro Botticelli and Jean Cocteau; the Medici, Bourbon, and Borgia dynasties; and great scientific minds like Leonardo da Vinci and Isaac Newton. Ultimately, she comes face-to-face with Jesus Christ, Mary Magdalene, John the Baptist, Judas, and Salome in the pages of a deeply moving and powerful new gospel. the life of Jesus told by Mary Magdalene.
