Good feedback is essential to helping employees perform better at work. It lets people know when they are meeting or exceeding expectations, and when they need to get back on the right track. This practical guide shows managers how to develop and

refine this necessary skill.

作者介绍:

Since 1984, Harvard Business School Press has been dedicated to publishing the most contemporary management thinking, written by authors and practitioners who are leading the way. Whether readers are seeking big-picture strategic thinking or tactical problem solving, advice in managing global corporations or for developing personal careers, HBS Press helps fuel the fire of innovative thought. HBS Press has earned a reputation as the springboard of thought for both established and emerging business leaders.
