For over fifty years, the Type Directors Club has encouraged the worldwide graphic arts community to achieve excellence in typography through its annual international competitions. TYPOGRAPHY 27 is the only annual devoted exclusively to typography and presents the finest work in this field for the year 2006. Selected from approximately 2300 international submissions to the fiftieth Type Directors Club competition, the 240 winning designs are models of excellence and innovation in the use of type design, encompassing wide range of categories, including books, magazines, corporate identities, logotypes, stationery, annual reports, video and web graphics, and posters.</P>
