著者:Yoel Hoffman

出版者:Tuttle Publishing

出版时间:July 1998

装帧:paperback

isbn:9780804831796

Although the consciousness of death is in most cultures very much a part of life, this is perhaps nowhere more true than in Japan, where the approach of death has given rise to a centuries-old tradition of writing jisei, or the "death poem" written in the very last moments of the poet's life. From passionate samurai writings and meditative Zen haiku to the satirical poems of later centuries, Hundreds of jisei have been translated into English here, many for the first time. The result is a moving, powerful collection whose philosophical and aesthetic profundity will give readers pause.

## 评论

didn't finish this book coz the preview pages are so few.I love the book very much but I regrets not finshing reading it after P42.If any one has a digital book version ,please send it to me.I will be appreciated. zh.g.l@hotmail.com

-----  
非常好，内容很充实。

-----  
未知死焉知生。為此想學日語。

-----  
很好的床头/ 交通工具读物，各位高僧大德们很是优雅幽默
