ONE LIVES. NINE DIE. Eight men. Two women. Some are ugly. Some are pretty. All are condemned to death and awaiting their fate at the hands of a third-world government. Each is swept up from their respective hellhole and offered the ultimate prize -- their life. An online reality show promises the condemned a suitcase full of cash and their freedom. The only proviso: survive, by killing off all the other players. Caught up in this mad "game" is an American, Jack Conrad (Stone Cold Steve Austin). He refuses to cooperate, instead playing by his own rules. As time runs out and the body count mounts, the government tries to shut down the game. Conrad must do everything he can to stay alive.
