出版时间:1993-02-11

装帧:Paperback

isbn:9780198641827

The Oxford-Duden pictorial dictionaries provide exceptionally wide coverage of the vocabulary of everyday life. Ideal for students, tourists, translators, and business people, each dictionary identifies some 28,000 objects in 384 picture sections (6 in full colour) by means of numbered illustrations, offering at a glance their names in both languages. The Portuguese and English vocabulary in this new dictionary covers subjects as diverse as flora and fauna, industry, sport and leisure, the arts, and technology. The variations of Brazilian Portuguese and American English are fully represented, making this an indispensable supplement to any Portuguese-English/English-Portuguese dictionary.
