When life seems to be full of doubt and uncertainty we tend to look for a source of

inspiration: what will happen in the future? what about my health, the children? what will happen if I make this decision and not that one? This is how the traditional tarot is often used, to satisfy a longing to know about the past and future. This Osho Zen Tarot focuses instead on gaining an understanding of the here and now. It is a system based on the wisdom that says events in the outer world simply reflect our own thoughts and feelings, even though we ourselves might be unclear about what those thoughts and feelings are. So it helps us to turn our attention away from outside events so we can find a new clarity of understanding about what is happening in our own innermost hearts. The conditions and states of mind portrayed by the contemporary images on the cards are all shown as being essentially transitional and transformative. The text in the accompanying book helps to interpret and understand the images in the simple, straightforward and down to earth language of Zen.

书评

我的第一副牌。好像是在98年？99年？在旧书店买的。
说实在的，大阿实在是太漂亮了。
Existence这张牌（伟特牌里的魔术师）至今还是我最喜欢的一张牌之一。无论是意境上来说，还是画面的本身。（见<http://www.learntarot.com/ohmaj01.gif>）
可是这幅牌的小阿的画风实在是太混...
