A girl with a mission. Agent Ulyssa Payne is on a mission. It's her job to make sure the Medical Mafia leader doesn't leave the planet of Qurilixen. But, when her target is killed by his own daughter, her mission is over. Now, she's stuck on a barbarian planet for three months until the Agency comes to get her. Getting kidnapped by King Attor, she's left in the Var harem to await his return. But, when the King dies in battle and doesn't come for her, she's stuck dealing with his son, the new savage King of the Var. This is one complication Ulyssa didn't need. A royal complication. The Var Princes were raised by a hard man who put no stock in love-especially love with one woman. Bred to never take a life mate, these men will do everything in their power to live up to the dead King Attor's expectations and never fall in love. Kirill is a man who must do his duty, only he didn't expect to do it so soon. When his father dies, he knows it's his destiny to be King. What he didn't expect is the troublesome mistress that's now his to deal with. Rating: Contains graphic sexual content, adult language, and violence.
