

# Building Type Basics for Performing Arts Facilities

[Building Type Basics for Performing Arts Facilities\\_ 下载链接1](#)

著者:Hardy, Hugh

出版者:John Wiley & Sons Inc

出版时间:2006-12

装帧:HRD

isbn:9780471684381

This Building Type Basics book provides an accessible guide to the essentials of designing these specialized environments including the underlying issues of financing, feasibility, and the diverse roles of the design and construction team, sponsor, banks, impresario, and manager. Complete with a wealth of descriptive floor plans, diagrams,

photographs, and case studies, it features need-to-know information on design including such technical topics as lighting, acoustics, and materials.
