isbn:9780471789734

Technology plays a vital role in the effectiveness of a management plan during an emergency. Emergency Management Technology not only provides a detailed overview of the technology used, it also clearly explains how the technology is applied

in the field. Readers will learn how to utilize technology in emergency planning, response, recovery and mitigation efforts and they'll uncover the key elements that must be in place for technology to enhance the emergency management process.
