This book is part of the guides that show you what others only tell you! It features a 'Discovery' feature describing each region and its highlights, to ensure you make the most of your trip. It includes clear maps, extensive hotel and restaurant listings at all price levels. From the crystal mountain lakes of the Salzkammergut to the home of Mozart in Vienna, see all the hidden sights with unique 3D models and cutaway maps. Whether you are interested in beautiful scenery or elaborate cultural events, there are recommendations to suit any visitor in this year round destination.
