Stroke, tickle, touch and play then put them back for another day - Farm. Touchable textures for little hands feel the soft woolly lambs, little fluffy chicks, fuzzy yellow ducks and muddy pink piglets. Then see the book come to life as your pre-schooler lifts the six cuddly animals off the pages and plays when playtime is over, herd them back for another day. Touch-and-feel pieces encourage imaginative play, matching skills and manual dexterity sensory learning at its very best.
