This is a special hugs and snuggles book for you and your baby to share together. Small and chunky size makes it easy to hold with baby on your lap and with warm and gently text it is perfect for reading aloud. It enables you to play games together as you read along, tickling toes, lifting baby high, hugs, kisses and more. It also includes a novelty photo frame cover so you can display a favourite photo of you and your baby. It serves as an ideal gift for mummies everywhere.
