Join the fun and discover how much more tasty eating can be. If you love food and drink, tempt your taste buds with this guide to savouring food and drink and testing your palate. Become the ultimate tasting connoisseur, then throw a party for your friends and taste together - at-home tastings are a whole new way to entertain!

"Tasting" includes chapters on wine, chocolate, cheese, honey, cured meats (salumi), beer, apples, balsamic vinegar, tea, and extra virgin olive oil. Each chapter offers background information on the food or drink, as well as tips for conducting the tasting, a suggested menu, recipes, the questions to ask when evaluating the samples, a tasting grid, and a glossary. Gorgeous full-color photographs help to make "Tasting" a great gift book - for you or your friends and family. Get tasting!
