

Handbook of Regional and Urban Economics, Volume 1

[Handbook of Regional and Urban Economics, Volume 1_下载链接1_](#)

著者:P. Nijkamp

出版者:North Holland

出版时间:1987

装帧:Hardcover

isbn:9780444879691

This first volume of the Handbook serves as a definitive reference source and teaching supplement for the field of regional economics, and for related fields such as geography, transportation economics, regional science and physical planning. It provides an advanced state-of-the-art survey for professional teachers, researchers and advanced (post-) graduate students in these disciplines. In addition to a representative survey of past developments, it also points to new directions and trends within the field.
