Raising Children Who Think for Themselves, by Elisa Medhus, M.D., is the proud recipient of three highly prestigious awards: The 2002 Parent's Choice Award, The NAPPA Gold Award (National Parenting Publications Association,) and the National Parenting Center Seal of Approval.

作者介绍:

Dr. Elisa Medhus, an honors graduate of the University of Texas Medical Branch, built and operated a successful private medical practice in Houston for thirteen years. Her busy practice served thousands of families and was one of the most highly regarded in Houston. She is the mother of five children, ages six to sixteen. She lives with her family in Houston, Texas.
