弗兰克在某条路径上终结了摄影。他自己很清楚这点,于是转而拍片开始了无尽的'败"。这本书是关于不停掘进的创作者、永恒离散的男人的很长一生中的零星闪光。 am looking back into a world now gone forever. Thinking of a time that will never return. A book of photographs is looking at me. 25 years of looking for the right road. Post cards from everywhere. If there are any answers I have lost them."
