Discover Greece

Get distracted by Acropolis views watching a startlit film at one of Athens' open-air cinemas

Melt into a hot tub and chat to the locals amid the thickly forested Rhodopi Mountains

Rope up and scale the monastery-topped sandstone pinnacles of Meteora

Discover your very own secret cove on Samos' little-visited eastern coast

In This Guide:

Six expert authors, over 3000 hours of on-the-ground research, 169 maps, 147 gyros devoured

New full-color sections cover the country's top experiences, off-the-beaten-track delights, and architectural highlights

书评

由于经常要跟希腊人打交道，所以还是狠下心买了英文版的。不见得读了lonely planet就要去旅行，用来增长见识也是一大乐趣。至少我就在书里读到了frappe， ouzo 这些希腊的名物。
