Stories in the Travelman Short Stories series take the reader to places of mystery, fantasy, horror, romance, and corners of the universe yet unexplored. In turn, readers take them on the bus or subway, slip them into briefcases and lunchboxes, and send them from Jersey to Juneau.

Each classic or original short story is printed on one sheet of paper and folded like a map. This makes it simple to read while commuting, convenient to carry when not, and easy to give or send to a friend. A paper envelope is provided for mailing or gift-giving, and both are packaged in a clear plastic envelope for display. The cost is not much more than a greeting card.
