

A Cure for the Common Word

[A Cure for the Common Word 下载链接1](#)

著者:K. D. Sullivan

出版者:McGraw-Hill

出版时间:2007

装帧:Paperback

isbn:9780071493307

Words like interesting and nice are so commonly used they've lost their impact. This book provides you with more than 3,000 powerful alternatives to tired words and helps you build a stronger vocabulary in the process. Armed with vibrant new words, you can precisely and eloquently express exactly what you want to communicate in your writing and speech.

作者介绍:

The founder of Creative Solutions, K.D. Sullivan is the author or coauthor of several books including The Gremlins of Grammar and The McGraw-Hill Desk Reference for

Editors, Writers, and Proofreaders.
