Welcome to a magical world of marvellous
beauty, where Dorothy, Toto, the

Scarecrow, the Tin Woodman and the Cowardly Lion confront challenges and overcome their own character flaws as they make their way down the Yellow Brick Road to the Enchanted City. Watch out for flying monkeys and the Wicked Witch, and discover the secret of Oz, the Great and Terrible.

At a time when all the best fairy tales were European, L. Frank Baum wrote this classic American example, set in the cyclone belt of Kansas. It was to become more famous than he could ever have imagined after Judy Garland played Dorothy in the 1939 film version.

哎，俗文学就是得持续加工才好啊——动画片明显比这个原著处理得好。原著里面有太多逻辑问题了，故事也巨糙，语言也巨弱。。

强大的隐喻！完美的寓言

naive tale alludes many things.

很童话的童话

I loved this book. It has a lot of wisdom. Things like "There is no place like home" "What we think we lack already lies within us"

2006年读过的，超易读。标注。

英文原版，喜欢Scarecrow。

以成人的视角再度重温儿时的故事，发现深意不止一点点。相信即存在，一定要追寻自己想要的。历经磨难，相互成全。结尾对我来说有点残忍，Silver Shoes永远丢在了沙漠，Dorothy再也见不到她的小伙伴，的确，童话终究是童话，它会是一个美丽的故事存于Dorothy的脑海。想起《牧羊少年奇幻之旅》

其实看的是外研社2006年版本，对小孩子的故事没有抵抗力。一场龙卷风引发的历险故事，最后的结局还很美好！突然间觉得比看偶像剧治愈了。

classic .the plots, the characters, the dialogues and the words are all simple but classic. It worth reading, copying , memorizing and imitating.

再看也不厌

i am toto

正在埋头苦干~~ reading report

很好的童话故事，不得不佩服，外国人想象能力真丰富，很适合激发小孩的想象能力
