Orsinia ... a land of medieval forests, stonewalled cities, and railways reaching into the mountains where the old gods dwell. A country where life is harsh, dreams are gentle, and people feel torn by powerful forces and fight to remain whole. In this enchanting collection, Ursula K. Le Guin brings to mainstream fiction the same compelling mastery of word and deed, of story and character, of violence and love, that has won her the Pushcart Prize, and the Kafka and National Book Awards.</p>

When I write short story,I should keep 'The lady of Moge' in my mind.

-----  
If I had been allowed to die on the walls of Moge, I should have died believing that life held great terror and great joy.
