Get ready for more brilliant page-turning fantasy from master, Garth Nix. On the fourth

day there was war! Pick up with Arthur Penhaligon as his Keys to the Kingdom adventures continue in the mysterious House. Following their adventures in the Border Sea, Arthur and Leaf head for home. But only Leaf gets through the Front Door. Arthur is blocked because someone -- or something -- has assumed his identity and is taking over his life. Before Arthur can take action, he is drafted by Sir Thursday and forced to join the Glorious Army of the Architect. The Army has its headquarters in the Great Maze, a defensive area of the House. Half of the Maze has already been dissolved by Nothing, and hordes of Nithlings emerge regularly to attack the rest. If the Nithling invasion can overcome the Army and the Great Maze, the House will be lost and the whole universe with it. While Leaf tries to banish Arthur's doppelganger on earth, Arthur must survive his basic training, avoid getting posted to the Front and work out how he can free Part Four of the Will and gain the Fourth Key from Sir Thursday. If the latest, strongest and most dangerous Nithling offensive doesn't break through first!
