著者:Robert Sullivan

出版者:Bloomsbury USA

出版时间:2005-04-11

装帧:Paperback

isbn:9781582344775

The New York Times bestseller, now available in paperback with an all-new afterword by the author.

Love them or loathe them, rats are here to stay-they are city dwellers as much as (or more than) we are, surviving on the effluvia of our society. In *Rats*, the critically acclaimed bestseller, Robert Sullivan spends a year investigating a rat-infested alley just a few blocks away from Wall Street. Sullivan gets to know not just the beast but its friends and foes: the exterminators, the sanitation workers, the agitators and activists who have played their part in the centuries-old war between human city dweller and wild city rat. Sullivan looks deep into the largely unrecorded history of the city and its masses-its herds-of-rats-like mob. Funny, wise, sometimes disgusting but always compulsively readable, *Rats* earns its unlikely place alongside the great classics of nature writing.
