The most famous Native American book ever written, *Black Elk Speaks* is the acclaimed story of Lakota visionary and healer Nicholas Black Elk (1863–1950) and his people during the momentous, twilight years of the nineteenth century. Black Elk grew up in a time when white settlers were invading the Lakotas' homeland, decimating buffalo herds and threatening to extinguish their way of life. Black Elk and other Lakotas fought back, a dogged resistance that resulted in a remarkable victory at the Little Bighorn and an unspeakable tragedy at Wounded Knee.

Beautifully told through the celebrated poet and writer John G. Neihardt, *Black Elk Speaks* offers much more than a life story. Black Elk's profound and arresting religious visions of the unity of humanity and the world around him have transformed his account into a venerated spiritual classic. Whether appreciated as a collaborative autobiography, a history of a Native American nation, or an enduring spiritual testament for all humankind, *Black Elk Speaks* is unforgettable.

This special edition features all three prefaces to *Black Elk Speaks* that John G. Neihardt wrote at different points in his life, a map of Black Elk's world, a reset text with Lakota words reproduced using the latest orthographic standards, and color paintings by Lakota artist Standing Bear that have not been widely available for decades.
