Once known only by an elite who were unwilling to share their knowledge of the power, 'the secret' of obtaining anything you desire is now revealed by prominent physicists, authors and philosophers as being based in the universal Law of Attraction. And the good news is that anyone can access its power to bring themselves health, wealth and happiness. Fragments of The Secret have been found in oral traditions, literature, religions and philosophies throughout the centuries. A number of the exceptional people who discovered its power went on to become regarded as the greatest human beings who ever lived. Among them: Plato, Leonardo, Galileo and Einstein. Now 'the secret' is being shared with the world. Beautiful in its simplicity, and mind-dazzling in its ability to really work, The Secret reveals the mystery of the hidden potential within us all. By unifying leading-edge scientific thought with ancient wisdom and spirituality, the riveting, practical knowledge will lead readers to a greater understanding of how they can be the masters of their own lives.
