出版者:Aperture

出版时间:1999-09-15

装帧:Paperback

isbn:9780893818579

Fred Ritchin's In Our Own Image is a comprehensive account of computer technology's impact on what we see and, ultimately, what we believe about the world. Both a history of photojournalism and a primer of computer technology, In Our Own Image is a philosophy of vision and reality for the twenty-first century. Extensively revised and updated, In Our Own Image is sure to remain a staple of one of the most important debates for many years to come.
