著者:Deepak Chopra

出版者:Hay House

出版时间:2006-04-15

装帧:Cards

isbn:9781401910396

Includes 160 page guidebook

Kabala is a way of life. Now you, too, can be a part of this lifestyle and obtain essential guidance along the way. By exploring the mystical archetypes of the Old Testament, you'll come to learn how the Kabala can help you deepen your life and improve your patterns of behavior.

The deck consists of 22 beautifully illustrated cards, one for each of the letters of the Hebrew alphabet. Each letter is represented by a specific story or character from the Bible, and a life lesson or meditation based on that story from a kabalistic perspective. Deepak Chopra and his co-authors explain how Kabala fits into the context of other spiritual traditions, and how it can be used by any seeker from any faith.
