Born to save tap</p>

Fuh-duh-BAP! Fuh-duh-duh-BAP! A new language, a new sound. Savion Glover has redefined tap dancing, and it can never be the same again. He speaks to the world with

a power and ease that has stunned and captivated millions. This exciting biography captures that essence--often in Glover's own voice--and treats readers to an inside look at his work while also providing a brief yet compelling history of tap dancing. Reverberating with the rhythm of a unique musical language, the book includes more than 50 photographs and features an eye-catching two-color design.</p></div>
