Peter Lindbergh is courted by international fashion magazines and is loved for his sensitive portraits of the most beautiful women in the world. The renowned photographer who lives in Paris and New York and works all over the world has also published two earlier books with overwhelming success: *Ten Women* (1996) with dream shots of ten dream models, and *Images of Women* (1997), a collection of famous fashion photographs of beautiful women. As a climax in his third book, *Untitled 116*, Peter Lindbergh presents a collection of his most impressive photographs of 116 stars in the world of pop music, cinema and fashion, such as Monica Bellucci, Juliette Binoche, Naomi Campbell, Geraldine Chaplin, Catherine Deneuve, Linda Evangelista, Aretha Franklin, Daryl Hannah, Milla Jovovich, Jennifer Lopez, Madonna, Demi Moore, Jeanne Moreau, Charlotte Rampling, Anna Nicole Smith, Sharon Stone, Tina Turner, Isabella Rossellini, Veruschka, and many others.

评论

Lindbergh捕获的人物在光影时间之中有一点短暂的「失衡感」，这是本体诗意流露的必要举措，摄影师作为观察者本人种种出于主观数据的设计把控，不仅是要退到幕后了无痕迹那么简单，是要有那么一瞬间的真正的忘我，人物的灵魂才得以从破损的罅隙中流出。
