

Introduction to Psychoanalysis

[Introduction to Psychoanalysis_下载链接1](#)

著者:Anthony Bateman

出版者:Routledge

出版时间:1995-12-04

装帧:Paperback

isbn:9780415107396

The need for a concise, comprehensive guide to the main principles and practice of psychoanalysis and psychoanalytic psychotherapy has become pressing as the psychoanalytic movement has expanded and diversified. An introductory text suitable for a wide range of courses, this lively, widely referenced account presents the core features of contemporary psychoanalytic theory and practice in an easily assimilated, but thought-provoking manner. Illustrated throughout with clinical examples, it provides an up-to-date source of reference for a wider range of mental health professionals as well as those training in psychoanalysis, psychotherapy or counselling.

作者介绍:

Anthony Bateman is consultant psychotherapist, St Ann's Hospital, London and a member of British Psychoanalytic Society

Jeremy Holmes is consultant psychotherapist and psychiatrist, North Devon.
