出版时间:2006-03-31

装帧:Paperback

isbn:9780486447537

Among the earliest known works on choosing, caring for, and riding horses, this book is still hailed — 2,300 years after it was written — as one of the most complete, thoughtful, and accessible guides of its type. Morris H. Morgan's fluid translation features 38 illustrations of this classic's practical tips and enlightened observations.
