"Media, Culture & Society" has pioneered a unique approach to media analysis. Since 1979, it has published some of the finest theoretical and historical work in communication and cultural studies from Britain and Europe. The articles in this reader are grouped in three parts, representing a selection of the best work. Each part is preceded by an introductory essay which helps students understand the issues presented, and places the theoretical contributions in context.

codes and cultural analysis有一篇关于photographs的综述

收有好几篇名文

我洋老师的好书。

终于看完了。。。
