From script development through pre-production to production and post-production,

famed directors offer personal insights into every step of the creative process. They also reveal their candid takes on the best and worst aspects of their profession. This second edition features personal materials from many of the directors, including storyboards, script notes, sketches, and on-set photos. Directors Close Up will be of interest to both professional and aspiring directors; as well as to film fans that will enjoy this inside look into making movies.
