Shoot yourself: Sexy self-portraits by everyday women

Inspired by a babysitter he surprised in front of the bathroom mirror shooting pictures of herself with his Polaroid, photographer Uwe Ommer decided to put together a book of erotic self-portraits by inexperienced photographers. Arming participants with cameras and basic technical instructions, Ommer asked them to photograph themselves in any way they pleased--liberated, so to speak, from the voyeuristic eye of the photographer. Some chose to use mirrors as they captured their portraits, while others braved the camera without the help of their reflections. While many subjects required no intervention by Ommer, for others he acted as "ghost photographer," helping them with the lighting and setup; in both cases, the models were free to indulge their inspirations in any ways they pleased--from sexy and provocative to romantic to simply being themselves. The cast of self-portraitists includes a wide range of personalities, from students to artists, actors, stylists, dancers, models, musicians, teachers, and more. This highly original book gives us a rare glimpse at the way everyday women see themselves--or wish they did.

自拍

有点意思。画面里的模特基本手持快门线，或者有相机的倒影出现在画面的镜中，都暗示着这是模特的自拍照，解除了观者与模特的看与被看的关系。
