"'Unstageable' was the first reaction of the National Theatre's artistic director, Nicholas Hytner, to the idea of dramatizing 'His Dark Materials.' But last night's opening night has triumphantly proved him wrong."-"The Sunday Times" Nicholas Wright has

revisited his adaptation of Philip Pullman's best-selling fantasy trilogy, tightening and improving it, and this revised version is to be published alongside the reopening in the National Theatre's 2004/2005 season.
