出版时间:2003-8

装帧:平装

isbn:9781842157831

This gift book is full of beautiful ideas to make this joyous occasion as happy and memorable as possible. There are quotations from poetry and prose on love, marriage and commitment, and also simple projects for table decorations, bouquets and keepsakes in honour of the special day. Beautifully photographed examples of bridesmaid's head-dresses, bouquets and church decorations all offer a wealth of ideas for everyone involved in planning the big day.
