Being American has always been a wonderful thing. But after September 11, 2001, patriotism soared. Not since the 1940s had America been attacked with such unexpected and horrible decisiveness. From sea to shining sea, the response was deafening. Americans raised their flags, raised their voices, and vowed to stand united. Of course, we're still bound by our sense of humor, a cornerstone of our country's proud past and present. In 1,003 Great Things About America, authors Lisa Birnbach, Ann Hodgman, and Patricia Marx perfectly sum up that combination of humor and hope, wit and wonder, that makes America so magnificent. What are some of the best things about America? As this talented trio of authors remind us: o Apple pie o John Wayne o Mount Rushmore o Elvis o Baseball The list goes on and on. From beginning to end, 1,003 Great Things About America serves as a keen and admiring look at those elements that give our nation its indefatigable character. From Frank Sinatra to the Super Bowl, from hamburgers to the Hamptons, 1,003 Great Things About America rings true and timeless. Our other 1,003 Great Things books have focused on everything from kids to moms to teachers. Most recently, 1,003 Great Things About Getting Older sold more than 150,000 copies. 1,003 Great Things About America is certain to become a best-seller, as citizens from coast to coast yearn to remind themselves about the best parts of the place they call home.
