Coworker relationships influence quality of life, both on and off the job. Wess Roberts shows how workplace colleagues can get along, whether their natural personalities mesh like gears or clash like cats and dogs. *It Takes More Than A Carrot And A Stick* provides practical tips and surefire tactics for working with anyone. The book addresses how to get along with the 15 self-limited character types commonly encountered at work, from "Imperious Jerks" to "Perpetual Victims." Roberts walks the reader through each character type, giving concrete advice on how to thrive with others.
