Hong Kong is known worldwide for its dynamism and commercial acumen. Populated by forward-looking and risk-taking inhabitants, its architectural and design scene doesn't disappoint. This overview of the most exciting developments in Hong Kong's cityscape features ground-breaking work from such design luminaries as Philippe Starck and Tony Chi and associates. An important volume for both students of design and lovers of Hong Kong's unique style. ? Another of teNeues' authoritative series of and: guides to contemporary architecture in cities worldwide ? Includes color photographs and a site map for convenient use by tourists and professionals alike
