By 1854, when *Hard Times* was published, Charles Dickens' magisterial progress as a writer had come to incorporate a many-sided, coherent vision of English society, both as it was and as he wished it to be. *Hard Times*. a classic Dickensian story of redemption set in a North of England town beset by industrialism, everywhere benefits from this vision - in the trenchancy of its satire, in its sweeping indignation at social injustice, and in the persistent humanity with which its author enlivens his largest and smallest incidents. --This text refers to the Hardcover edition.

评论

我喜欢狄更斯的结尾：我们对未来的事情并不确定，但却确定未来的幸福。在又脏又暗的这个镇上，压抑的结局并不是过于耀眼的一片光明，狄更斯给每个人都留下一点夜，一点思考，一点空间。
