isbn:9780671722906

The Tempest is one of Shakespeare's later plays and can be classified as a romance. While it is an enjoyable fairy tale of sorts, complete with good and bad, uncomplicated love and miraculous incidents, the play also incorporates many of the playwright's common themes, such as the reconciliation of families that endure hardship. The CliffsComplete The Tempest is a revised and expanded study edition. It contains Shakespeare's original play, a glossary, and expert commentary in a unique, 2-column format. To enhance your learning, notes and definitions appear directly opposite the line in which they occur, and a review section follows the play. This edition also

introduces you to the life, works, and times of William Shakespeare.
