

Commentary on Romans

[Commentary on Romans_ 下载链接1](#)

著者:Ernst Kasemann

出版者:Wm. B. Eerdmans Publishing Company

出版时间:1994-06

装帧:Paperback

isbn:9780802808608

Emphasizing theological rather than historical questions, Kasemann divides Romans into sections according to what he sees as the key theological concept of the letter--the righteousness of God. Detailed bibliographies are provided for each section of the text.
