This book is a lighthearted takeoff on "A Night Without Armor," the bestselling book of poetry by the popstar called Jewel. The 22-year-old Mr. Sia has dispensed with the poems written by Jewel but retained Jewel's titles and written 109 new poems using those titles. The poems are mostly very funny, occasionally very serious, often very sexy. The book is not an attack on Jewel. It is a showcase for the writing of a very talented and amusing young poet. It was released on the same day as his first CD, "Attack! Attack! Go!"
