出版时间:2006-08-01

装帧:Hardcover

isbn:9781419535574

Inspiring Others helps managers align employees' talents and energy with the goals of the organization to produce tangible results. Readers will gain practical, real-world skills to help them understand how to tap into the potential and enthusiasm of different individuals, assign the right work to right people, involve people effectively, provide positive reinforcement and constructive feedback, support without micro managing, and develop work relationships that respect employees' needs and values.
