isbn:9780131234512

Microeconomics: An Asian Perspective, is written to show students how microeconomics

can be used as a practical tool for decision-making in various aspects of life. The book provides a treatment of microeconomic theory that stresses its relevance and application

to both managerial and public policy decision making. Examples are drawn not only from

the Americas and Europe, but also from Asia, to provide students with an appreciation of

the issues in different parts of the world.

MyLab或是Mastering系列是在线作业系统。Access Code Card是在线作业系统的访问码，是老师和学生课堂之外网络互动及交流的平台，个人

是无法使用这个平台的。请读者注意您购买的这个ISBN是不带Access Code Card的。
