We created Grand Times because we know how special and memorable the gifts of grandparenthood can be! This keepsake journal is interactive - a book that inspires grandchild involvement as well as lets you create a one-of-a-kind treasured momento. Grand Times includes four sections: Grand Days Remembered - for recording highlights of your special times together, Spoken Treasures - for recording cute comments, funny questions or humorous stories, Grand-O-Grams - 20 fun postcards to say hello, send a hug, or remind a grandchild how much you love them, Grand Momentos - a scrapbooking section for favorite photos, notes, cards or artwork.
